All shipments are F.O.B. Greensboro and become the property of the customer when they leave our dock. Eagle Equipment uses common carriers, FedEx Ground, UPS, and independent freight haulers for shipping. We negotiate the most competitive freight rates possible and pass these savings along to our customers.

We make every effort to minimize freight charges to our customers and provide for timely delivery.

- Most items in stock will ship within two business days.
- Eagle will not be liable for any damages related to unavailability of inventory or delays in shipping.
- Eagle ships all products FOB our warehouses.
- Title for goods passes to customer when product leaves our dock.

Items advertised with "Free Shipping" applies only to shipments within the Continental United States (excludes Alaska, Hawaii, and Canada and Mexico).

Call Sales at 1-800-336-2776 for a specific freight quote.

Delivery and Unloading

Customer is responsible for unloading shipment from truck. Eagle Equipment will assume no responsibility for any additional charges or damages that may be incurred as a result of unloading from the delivering carrier's truck. Freight carriers have restrictions on delivering to residential addresses and may require pick-up at freight terminal. Lifts will require a fork-lift to unload. It is advantageous in those cases to ship to a freight terminal where the terminal personnel will unload the product and load it onto the customer's trailer or truck. Lifts cannot be unloaded using a lift gate vehicle. We cannot advise customers of exact time of delivery as we do not ship on our own trucks. We will give our customers an estimated time of delivery and provide them with tracking information.

All shipments must be inspected immediately upon receipt. For your protection, any external damage must be noted on the Bill of Lading at the time of delivery in order to qualify for a claim against the freight carrier. Concealed damages must be reported to the freight company within three days of delivery. It is the customer's responsibility to file for damage claims against the freight company.

Shortages/missing parts must be reported to Eagle customer service within three days of delivery.

Warranties

All products that appear on our websites or in our catalogs are warranted by Eagle Equipment or the manufacturer against defects in material and workmanship to the extent of the manufacturer's warranty. No other warranties are implied. Contact our sales and customer service department for the warranty on specific models.

We provide a parts warranty only. No warranty provided on labor, loss of product use, or loss of business revenue and profits.

Warranty Returns

Warranty returns for defective products or parts must be authorized in advance and claim must be applied for by the expiration of the warranty period. Customer is responsible for returning the defective product in sufficient packaging to prevent damage during return. Product returned as defective that proves upon inspection not to be defective will be subject to a minimum restocking fee of 20% plus return freight. Credit for warranty returns to third party vendors will be subject to their returns policy.

Warranty Replacement

Replacement products or parts will be sent out at "No Charge" upon receipt of the defective product from the customer. Alternatively, if the customer wishes to have the warranty replacement shipped prior to the return of the defective product, then the customer must pay for the replacement product at shipping. Credit/refund will be issued to customer upon receipt of defective product. Customer is responsible for loading and unloading warranty replacements.

Returns

All returns must be authorized prior to shipping. Contact our Customer Service Department for instructions and a return authorization number.

Customers may return any unused stock item in the original packaging within 30 days of purchase subject to a 20% restocking fee. All freight charges related to the original shipment and the return will be the responsibility of the customer.

Custom manufactured items are not returnable.

No credit will be given on unauthorized returns.
