

FAFSA

Free Application for Federal Student Aid for the 2010-2011 School Year

TaxACT has specifically developed this worksheet to assist you with the preparation of the FAFSA Online Application at: www.fafsa.gov. Based on the information entered into TaxACT, the FAFSA Tax Summary Worksheet will provide you with the applicable income tax information needed to complete the FAFSA Online Application.

The FAFSA Online Application can be accessed at: www.fafsa.gov. Simply follow the questions on the Online Application and refer to the information below when income tax return information is requested. The answers on this report will match with the information that is requested in the Financial Information section of the Online Application.

This report has been prepared using the STUDENT'S return. The information below is designed to complete the tax return information in the Financial Information section of the FAFSA Online Application. The FAFSA Summary Worksheet provides income tax information for the current tax return only. It may be necessary for you to complete both the parent and student sections of the FAFSA application. To generate a FAFSA worksheet for both the student and the parent, a return will need to be completed by both individuals.
